

## Fundraising Contract

---

Each family's fundraising requirement is \$125 for one enrolled child (and \$75 for each additional enrolled child). Please choose one of the following options to meet your fundraising commitment. Once you select your fundraising plan, that is the plan you must follow for the school year:

1. \_\_\_\_\_ Our family will raise a minimum of \$125 in profit from one or more of the many fundraisers\* offered throughout the year (adding \$75 for each additional child). If we choose to do fundraising but have not participated in any fundraising projects by April 1<sup>st</sup>, we will need to pay \$135 for one enrolled child and \$85 for each additional child.
2. \_\_\_\_\_ Our family will do the beginning of the year buyout. \$125 will be added to our September tuition. (plus \$75 for each additional child).
3. \_\_\_\_\_ Our family will do the monthly buyout. \$13.23 will be added to each month's tuition payment to meet our goal of \$125 (adding \$8.34/month for each additional child).

Thank you for your support of our school and students. If you have any questions about fundraising, please contact Jeanne Stephens at 602-4618 or [jeannecstephens@gmail.com](mailto:jeannecstephens@gmail.com).
