

Fundraising Contract

Tuition alone does not cover our annual budget. Fundraising keeps tuition costs lower, while helping to cover administrative expenses, maintenance/replacement of equipment, benefits, and unplanned expenses.

Each family's fundraising requirement is \$130 for one enrolled child (and \$75 for each additional enrolled child). Please choose one of the following options to meet your fundraising commitment. Once you select your fundraising plan, that is the plan you must follow for the school year:

1. _____ Our family will raise a minimum of \$130 in profit from one or more of the many fundraisers* offered throughout the year (adding \$75 for each additional child).
 - a. If we choose to do fundraising but have not participated in ANY fundraising projects by April 1st, we will need to pay \$140 for one enrolled child and \$85 for each additional child.
 - b. If we participate in fundraising but do not meet our fundraising requirement by April 1st, we will need to pay the difference. The shortfall will be added to our May tuition payment.
2. _____ Our family will do the beginning-of-the-year-buyout. \$130 will be added to our September tuition (plus \$75 for each additional child).
3. _____ Our family will do the monthly buyout. \$14.44 will be added to each month's tuition payment to meet our goal of \$130 (adding \$8.34/month for each additional child).

Thank you for your support of our school and students. If you have any questions about fundraising, please contact Janet Steele at jms@iac.net.

Name: _____ Date: _____

Signature: _____

*Our fundraisers will likely include LaRosa's Buddy Cards, Kids Stuff coupon books, Yankee Candles, Butter Braid, Usborne Books, the plant sale, and more.
